# THE LOCATION

---

Cromwell was established by gold miners, but now its treasure is stone fruit.

Wooving Tree Estate has nestled its roots in the heart of Cromwell. The town centre, Lake Dunstan, and vineyards are a short work or cycle away. The New Cromwell underpass was opened in August 2023 allowing safe access across the Highway 8B into the township. The town is home to New World, Fresh Choice, and other stores including Mitre10, Hunting & Fishing, Nicholls Garden & Pet Centre. There is a wide choice of cafes and eateries.

The region offers everything from water activities, wine & food festivals, golf, winter sports, cycling trials, and motorsport.

Wooving Tree Estate offers the best of Central Otago living.

# LOCAL DEVELOPMENT - GOLD MINE

---

Construction of the proposed \$4.4 billion Central Otago gold mine could commence in 2026, contingent upon receiving fast-track approval.

Santana Minerals Chief Executive Officer, Damian Spring, stated that this "world-class project" benefited from the timely introduction of the Fast-track Approvals Bill, which preceded the company's resource consent application.

The company is preparing to submit a resource consent application to the relevant local councils in early 2025 and has concurrently applied for consideration under the government's fast-track legislation.

The proposed mine site is located across the Bendigo and Ardgour Stations, 20 minutes from Cromwell and approximately one hour's drive from Queenstown.

# Meet The Team

## Equiti believe in building better futures, together.

New Zealand has an undersupply of homes. We are not building enough homes to cater for the people that choose to call New Zealand home, let alone the new ones that are arriving each week.

Most Kiwi's know that they will not have enough income to fund their lifestyle in retirement. Some know that they need to do something but don't know where to turn.

Equiti believe in growing wealth through property. This is through a passive, buy and hold long-term strategy. That is buy new, buy well, make sure you can afford it, and hold it for as long as you need to; to get what you need from the property. And review your strategy annually, with your financial adviser and, if you can afford it, do it again....and again. To do this you need a trusted financial adviser, the right property advice and the right properties!

Equiti are the real estate platform that helps to bring it all together. We are here you help you on your journey to create wealth through property. We look forward to working with you and building better futures, together.
